

CLOTHING

It is the local Pastors' desire and clothing philosophy to dress in a manner at all times that does not distract from the message of Jesus Christ that we are trying to share. Therefore, wearing dressier and more conservative clothing is required. Washing facilities will not be available, so please pack accordingly. We suggest bringing plenty of shirts, long shorts and sundresses. You most likely will need a change of clothes on many days because of the heat and humidity. Pack with the knowledge that the sun and temperature will be very hot.
